Dear Parents and Carers:

I am delighted to share with you that our school will be using Seesaw (<http://seesaw.me>), a secure online journal, that will allow us to provide high-quality home learning in the event of your child's 'bubble' being closed. The App can be accessed through tablets, smart phones or a computer. Once they login, using a code provided from school, they will be able to access resources, activities and tutorials at home set by their teacher. They will be able to return their completed home learning to teachers within Seesaw and feedback will be provided.

Under the General Data Protection Regulation (GDPR), in order for your child to use Seesaw, the school must get your consent. All of the work your child completes in Seesaw is stored privately, meaning that other children cannot access it. To set up a profile for your child, Seesaw requires your child's name. Seesaw doesn't create profiles of students, or share or sell your child's personal information or journal content. You can read more about their strong privacy promises here: <https://web.seesaw.me/privacy>.

For more information on GDPR, please visit <https://ec.europa.eu/info/law/law-topic/data-protection/reform/rights-citizens>.

As always, if you have any questions about using Seesaw, please contact your child's teacher or myself.

I hope that your child will enjoy using Seesaw to access home learning. Please sign below and return this permission slip so that your child can use Seesaw.

Yours sincerely

Mr Beane
